

IMPACT-DRIVEN LEADERSHIP AND CULTURE

Developing visionary leaders who drive people and planet positive impact through the lenses of sustainability, systems-thinking and innovation.

SOME OF OUR CLIENTS

Baker Hughes 

 **SCHENKER**

SKF

We believe regenerative leaders are those who purposefully balance economic prosperity with social progress and environmental protection.

We offer a suite of regenerative leadership programmes that empower leaders of all levels to implement pioneering business agendas and engage those around them to drive positive impact.

How we help

SHAPING REGENERATIVE LEADERS

- **The Leadership Vanguard** - Our flagship portfolio of immersive and experiential programmes
- **Leading for systems change** - Learn how to lead for systemic, sustainable transformation
- **Transformative experiences** - Innovative platforms to explore with, and align your leadership team

CREATING WILL AND SKILL

- **Regenerative behaviour change** – Build and embed behavioural muscle required to lead change
- **Sustainability toolkit** - Provide your people with sustainability skills and knowledge
- **Change-maker academy** – Prepare to scale change across your organisation

BUILDING ORGANISATIONAL CAPABILITY

- **Enabling collaboration** – Remove organisational barriers to systems-collaboration
- **Impact measurement** - Redefine and implement a comprehensive impact measurement approach
- **Build your ecosystem** - Partner with stakeholders to build adaptive, agile and resilient value-chains
